Subject: Dimock GW Site Samples for Radiological Analysis

Cindy,

This is notification that our samplers have been given approval to begin collecting samples for the above referenced site. Sampling will begin on Monday, January 23, 2012. The preliminary schedule is to sample 2 homes on Monday (4 samples) and 2 homes on Tuesday (4 samples). Samples will be shipped at the end of each day. Not sure what the schedule is after Tuesday but once I find out I will let you know.

I am on leave tomorrow, but if you have any questions call and leave a message or, send by e-mail.

Fred
